SUMMARY

I build for habits, not demos: products people open again tomorrow, and backends that stay calm when usage climbs. I profile before I guess, cover risk with tests, and still hit the date that was agreed.

SKILLS

Frontend: Flutter, Jetpack Compose, SwiftUI, Next.js, React Native
Backend: Axum, Spring Boot, FastAPI
Platforms and API: Firebase, Supabase, OpenAPI
CI/CD and testing: GitHub Actions, Fastlane, Shorebird, JUnit, Jest, Vitest, Playwright, Postman
Observability: WebEngage, Firebase Analytics, Mixpanel, OpenTelemetry, Prometheus, Grafana, Kafka, Sentry, Crashlytics
Delivery: Redis, Cloudflare, Docker, Google Cloud, Play Store, App Store

EXPERIENCE

Software Engineer, Attatva Systems Pvt. Ltd. June 2026 - Present, Kathmandu
- ERPesque keeps multi-branch sales, stock, POS, and books aligned when the network is weak.
- Vaultesque stores credentials encrypted on the device, with no sync to a third-party vault.
- Callbreak Quest and Kaji play offline, with local multiplayer on Kaji and no account.

Software Engineer, Shrig Solutions Aug 2024 - June 2026, Bishalnagar
- Flytechy (Android) and Fishtechy (iOS) turn a photo or video of a catch into a length a leaderboard will accept.
- Aquabuildr, on iOS and Android, checks 600+ species for tank compatibility, tracks water, and schedules maintenance.
- Catch uploads resume after a dropped signal, clips trim on-device, and chat keeps an offline queue.

Software Engineer, Raindrop Inc. Oct 2023 - Aug 2024, Pepsicola
- Bizak puts sales, inventory, finance, and field sales in one product for SME teams.
- SFM is how reps record sales, stock, and routes when they are away from the office.
- Owners drill into live KPIs; ledgers sync after offline use; financial data has an audit trail and role-based access.

Software Engineer, Podamibe Nepal May 2022 - Oct 2023, Tripureshwor
- Mero School is the student app: coursework, practice, and progress on the phone.
- Mero Lagani: live NEPSE prices, portfolios, alerts, and IPO results, and about a 15% retention lift.
- Combined store rating rose 1.3 stars after crash fixes and changes tried on a subset of users first.

Software Engineer, Incube Technologies Pvt. Ltd. Jun 2020 - Apr 2022, Patan
- Mero Health Care: doctor search, booking and teleconsult, prescriptions, records, and pharmacy delivery.
- Ordering covers catalogue search, cart, eSewa and Khalti checkout, and live order tracking.
- Clean Architecture, Sentry, and Crashlytics, so a session could finish the booking or the payment.
